Essay Questions:

What changes, if any, could be made to the class that would have helped you to learn more? What could the instructor have done to make the course an even better learning experience?

Give more guidance for studying. Give more in class activities for the models (Ex. Have the class as a whole come up with a scenario and a graph).

He could have assigned some extra credit homework or regular homework to keep students engaged and give a reason to go to class each day.

STUDY GUIDES, LESS INFORMATION

What could you have done to make the course an even better learning experience?

He could have added some extra credit homework to give a few chances to beef grades since he does not have much homework or other grades besides the tests.

Not take it... The teacher was amazing I just absolutely will never understand ECON. I do not need it for my career.

Read the book, looked at the sample questions

What did you like most about the class and your instructor?

He was very excited to teach which helps me want to be there and pay attention. He was willing to help those needing help. He gave extra credit opportunities. He had detailed notes to go along with what he was saying. He spoke English. He was willing to change his teaching style to benefit the students.

His lectures were engaging and interesting, he is a very interesting speaker. knows how to captivate and engage an audience.

I could listen to him, he wasn't boring even though the topic was

Mr. Middleton has been one of my favorite professors all throughout school. He is extremely nice and helpful, and you can tell he actually cares. He puts things in real world terms, and it helped a lot.

my instructor was the best instructor i have this semester and made my econ experience so much more than i thought it was going to be. He really likes the material and cares about the students success

What factors about this class contributed the most to your learning? What aspects of this class helped you to learn to think critically?

going to class and listening to the presentations probably helped me the most.

He was funny. I did not understand anything.

Mr. Middleton used examples during class which helped me a lot. He makes things understandable.

paying attention the class discussion, all the real world examples given in class

What factors about your own performance helped you learn the most? What did you do to facilitate your learning?

I studied my lecture notes and his posted power point and test bank questions, they were very useful when preparing for exams.

I took notes. Listen most of the time.

Studying my notes. Dumbing down the notes so it was easy for me to understand and remember.
